In such cases, the top ranked player in the respective singles event will be allocated the 2019 ITTF PTT Regional Championships qualification slot for his/her respective sport class. For those athletes competing in the same singles event under a different sport class, the qualification slot will be allocated to the highest ranked athlete from that region on the ITTF PTT Male and Female World Ranking List closing 31 March 2020.

In the case that a 2019 ITTF PTT Regional Championships is not conducted or an event is not held at a 2019 ITTF PTT Regional Championships, the qualification slots attributed to the respective competition or specific event will be allocated to the highest ranked athlete from that region on the ITTF PTT Male and Female World Ranking List closing 31 March 2020.

Any slot that cannot be allocated via this method will be allocated (regardless of region) via the ITTF PTT World Ranking List Allocation method.

TOURNAMENT CREDIT SYSTEM – PARALYMPIC GAMES 2020

1. Events to accumulate:

The period to accumulate the TC Events will start on 01/01/2019 and finish on 31/03/2020 (15 months).

A) All players must participate during the selection period as:
- in their Regional tournament, OR
- in one Fa40 tournament which will be held in a different continent

B) All players must participate in additional tournaments as:
- Players from Oceania and Africa: in 1 more PTT tournaments
- Players from America: in 2 more PTT tournaments
- Players from Asia: in 3 more PTT tournaments
- Players from Europe: in 4 more PTT tournaments

A player meets the TCS criteria if he or she fulfils both A and B criteria.

There are some conditions about the Factor 20-40-50 tournaments related with the selection process:

- Participation in the tournament means that the players must take part at least in single event at the Fa competitions.
- There is no given Tournament Credit for players who participate only in Team event at the Fa competitions.
- If a country hosts two Fa PTT Tournaments per year, only one of them can be counted on the TCS.

2. Special situation for players playing also in official ITTF Tournaments:

- A player competing in an ITTF World Tour or in an ITTF sanctioned event which takes place within 4 days of a PTT event will accumulate as one additional tournament participation. Even though there will be held more ITTF sanctioned even during a FA PTT event, only one event will be counted as Tournament Credit.

- In order to get the Tournament Credit in this special situation, the players MUST take part as a minimum:
  - on their PTT Regional Championships OR in one Fa40 tournament which will be held in a different continent
  - and 1 additional PTT tournament
3. **Medical attest:**

- No medical attest will be considered during the selection period (between 01/01/2019 and 31/03/2020).

- It means that if a player withdraws competition from ANY event (included team event) for ANY reason (included injury, travel issues or any other) at any time during a tournament while he or she is still in competition, that tournament won’t be counted for the TCS.

4. **Ranking Default Policy**

- The ITTF Ranking Default Policy has been introduced to the PTT events started on October 1st, 2016. Amendments to this RDC will be made for 2019 and they will apply for the TCS.

- The ITTF PTT Ranking Default Commission will be composed of:
  
  - PTT Chairperson
  - Two full members of ITTF PTT Committee

Pablo Perez       Georgios Seliniotakis
Para Table Tennis Manager    ITTF PTT Selection Officer
